History:

The hustle and bustle of street markets can be found all around the world from Spain, Turkey, Morocco, France, all over Asia, and more. They are streets filled with vendors that offer unique food, merchandise, arts, and essential goods. But for some markets, the fun doesn't happen till night falls. Night markets are more prominent in Asian countries like Taiwan, Hong Kong, and Thailand but they are becoming more popular in other countries including North America. Night markets bring a nightlife that is exciting and fun for the community and we are happy to announce that Universal Cultural Organization (UCO) is hosting the second annual AZ Night Market in Peoria, AZ at the Johnny E. Osuna Memorial Park this year.
